My Leviton App Terms of Use

Introduction

These are terms of use ("**Terms**") that apply to the use of the My Leviton Mobile & Web App which is used to support Leviton Smart Products, and other related products/accessories, including the right to use any optional Website feature or App tool, and including any updates, that we make available through our websites or any other distribution method, (respectively, the "**App**" or the "**Website**") and also the terms that apply to any of the services accessible through the App or through any app that we make available for download from any third party application store (collectively, the "**Services**"). These terms of use for the App are provided by Leviton Manufacturing Co., Inc. ("**Leviton**") and may be used for informational purposes only.

These Terms are meant specifically for firmware/software, but do not replace any hardware terms, including extended warranty, which is activated by purchase and use a Leviton product.

BY ACCESSING AND/OR USING THE APP OR SERVICES, YOU CONFIRM THAT YOU ACCEPT AND AGREE TO BE BOUND BY THESE TERMS AND ACKNOWLEDGE THAT THEY CONSTITUTE A LEGALLY BINDING CONTRACT BETWEEN US AND YOU (AND, IF RELEVANT, ANY ORGANIZATION ON WHOSE BEHALF YOU ARE ACTING). IF YOU ARE ACTING ON BEHALF OF ANY ORGANIZATION, YOU CONFIRM THAT YOU HAVE THE REQUISITE AUTHORITY, POWER, AND RIGHT TO FULLY BIND THAT ORGANIZATION. IF YOU (OR, IF RELEVANT, YOUR ORGANIZATION) DO NOT AGREE TO ALL OF THESE TERMS (OR IF YOU DO NOT HAVE THE RIGHT TO BIND YOUR ORGANIZATION), YOU ARE NOT PERMITTED TO ACCESS OR USE THE APP OR SERVICES, AND YOU SHOULD NOT PROCEED FURTHER.

In these Terms, unless the context otherwise requires, all further references to you (and your, etc.) means both you as an individual user and also the organization on whose behalf you are acting (if any).

Access to the App and Services

The App may only be accessed and used on a device owned or controlled by you and running the relevant operating system for which the App concerned was designed, so you must make sure you have a compatible device that meets all the necessary technical specifications to enable you to use the App. If you are hosting the App on your server, you need to make sure you have everything necessary to enable you to host the App. You accept responsibility, in accordance with these Terms, for all access to, and use of, the App or Services, by you on any device, whether or not it is owned by you.

We cannot and do not guarantee the continuous, uninterrupted, or error-free operability of the App or Services or that the App or Services will respond at a certain speed (since this depends on a number of factors outside our control). Furthermore, from time to time, we may change, restrict access to or remove some parts of the App, or the entire App and Website, to users, including registered users.

You are responsible for both:

- 1) Making all arrangements necessary for you to have access to the App.

- 2) Ensuring that all persons who access the App through your internet connection are aware of these Terms and comply with them.

Account Set-Up and Security

Accessing the App or some of the resources it offers may require you to register to create an account with us, or to provide other information. You are not obliged to have an account with us or to provide any information, but if you do not do so, you may be unable to use some features, functions, or content of, or access the applicable Services through, the App. All information provided must be complete and accurate.

You agree that all provided information is governed by our Privacy Policy (<https://my.leviton.com/home/privacy>), and you consent to all actions we take with respect to your information consistent with our Privacy Policy.

We have the right to disable any username, password, or other identifiers, at any time in our sole discretion for any or no reason, including if, in our opinion, you have violated any provision of these Terms.

Payment and Paid-For Service Subscriptions

Some Services/features may require payment or paid-for service subscriptions, which give you access to the relevant features, functions, and/or content for the level of the Services requested by you from amongst the available options. Subscription fees are payable as indicated on the App.

It is important to note that your subscription will automatically renew (as long as we continue to make the relevant Service subscription available) at the end of the subscription period at the then-current fee (as indicated on the App) unless you cancel your subscription. We will notify you, by email and on the Website, of any increase in the applicable fees.

If any payments are required, all payments will be made via a third-party payment service. Leviton does not see or keep your payment information.

In the event that automatically renewing subscriptions are unavailable for your selected product, or, automatically renewing subscriptions are available but you did not elect the auto-renewing option, your subscription will end at the conclusion of the subscription period. At that point in time your access may be restricted and data will begin its roll-up/ purge per the Default Policy, as defined in applicable product sheets and/or in the software itself.
